Herrick Archives Building 304

A. IDENTIFICATION & LOCATION

1. Name

1.1 Since this is not a University building, it has never been named by the Board of Trustees.

1.2 Alternate names noted:

Ohio Department of Health Laboratory

State Health Laboratory

See Addenda Nos. 2,3

2. Location

2.1 Located at 1571 Perry Street. See map below.

2.2 For greater detail, see Sheet 115 and 122 in the book of campus maps in the University Archives.

For identification of other buildings shown, see Appendix A.

3. General Description

This is a five-story reinforced concrete and brick structure. It is of somewhat irregular outline, but the maximum dimensions at the roof level are approximately 95'x 189', according to drawings on file in the Office of Campus Planning.

B. PLANNING & CONSTRUCTION

1. The Board of Trustees on November 12, 1968 voted to convey to an appropriate department of state government a tract of land 140'x 240' as a site for this building.

2. The building was designed and constructed for the State Department of Health by the Department of Public Works.

3. According to the Columbus Dispatch (July 25, 1971), work on the building began in July, 1969, and employees began using the building in May, 1971, with the entire building expected to be in operation by the end of July.
